

Hanbury P.E. Funding

The government is continuing to provide additional funding to improve provision of physical education and sport in primary schools. This funding is to be spent on improving the quality and breadth of PE and sport provision, including increasing participation in P.E. and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of. We have seen the impact lottery funding has had on our success in world sport at both the Rio Olympics and Paralympics. Each school has the freedom to choose how they spend their funding to develop sporting opportunities and raise standards in Physical education.

Our Aim:

At Hanbury C.E. First School our overall aim is to improve the quality of P.E. provision for **all** children, raising achievement and ensuring a lasting sustainable impact.

From September 2013 the school has used the sports premium to be involved with the local schools in the Bromsgrove Pyramid of schools in having a Physical Education Coordinator for the area. The **All Active Academy** primarily provides expertise and training for all our teachers in all areas of the P.E. curriculum. They promote quality delivery of P.E. teaching and improved outcomes for children. The All Active Academy organises sports events including festivals and competitions. The All Active Academy for the area regularly liaises with the P.E. Coordinator for the school, ensuring Hanbury has the opportunity to be involved in events available within the local Bromsgrove cluster and they look to increase 'after school' opportunities where possible. The All Active Academy works collaboratively with other schools in the pyramid, local clubs and outside agencies to further develop P.E. and sport opportunities for all children.

The funding will also be used to enable staff to take children to an increased number of interschool competitions and festivals. We will also use the funding to involve all children in physical activities at lunchtime and during school time. We aim to provide a wider range of after school clubs and extra-curricular activities. We will also be able to spend money on targeted groups of children as necessary.

All our work will be aimed at increasing attainment, participation, improving confidence and skills and encouraging a life-long love of sport together with an understanding of the positive health benefits participation in sports activities offers.

Intended Impact

- Increase the percentage of outstanding PE lessons taught.
- Development of staff P.E. skills.
- Increased opportunities for inter school tournaments.
- Children enjoy PE lessons and understand the importance of keeping healthy.
- Promote the links between sport and Health and Well-being
- A greater take-up of sports activities by a wider range of children promoting a long-term healthy life style.
- Celebrate pupils 'outside of school' sporting achievements.
- Increase outdoor activity in the Early Years to promote healthy living.

The funding will be monitored by the governors on a regular basis.

Where has the funding been used in the academic Year 2016/17?

Grant for 2016/17 £8,473

Training staff in:

CPD training to move to outstanding P.E. lessons
Gymnastics and Boccia

Hanbury children have received:

Inclusion event (Multi-skills)	SEN
Multi-skills Festival	Year 2
Dance Festival	Year 1
Gymnastics teaching	Reception Years 1, 2, 3 and 4
Hockey tournament	Year 4
Bell-boating competition	Year 4
Mindfulness and Yoga	Reception
Intra house Athletics tournament	All Year groups
Boccia teaching	Reception Years 1, 2, 3 and 4

Our children can go to the many clubs we run throughout the year including:
Tag Rugby, Football, Hockey, Dance, outdoor games/skills, Country Dancing, and running club.

Impact

All pupils have had a wider opportunity to participate in sport.
All children have had the chance to compete in competition.
SEN and Less Able have had opportunities to compete in competition
Reluctant pupils have been encouraged to play in competitions against other matched pupils.

Where will the money be spent in the academic Year 2017/18?

Our Grant for 2016/17 is £16,880

Meeting the criteria to achieve the SILVER Sport's Mark for a second time.
Continue training teachers to help us deliver exciting outstanding lessons.
Work with cluster Schools to deliver quality PE.
Encourage teachers to involve classes in All Active Academy festivals
Meeting with other schools for inter school competitions and festivals.
Tournaments across the Bromsgrove Middle and First schools.
Intra-House whole school tournament – 1 per term.
Set sporting challenges, e.g. fun run.
Opportunities to participate in a variety of sports e.g. Tri-golf, skipping.
A new curriculum and assessment package.
New markings on the playground.
Update the trim trail on the playground.
Purchase and update lots of the PE equipment.
Invest in iPad to be used to help deliver and assess PE lessons.
