

SPELLING WALL

Name: Date:

Build the wall by filling in the bricks with your word:

.....

A grid of 18 bricks arranged in a staggered brick pattern. Each brick is a rectangular box with a thick black border, intended for writing a word. The bricks are arranged in 9 rows. The first, third, fifth, seventh, and ninth rows each consist of two bricks side-by-side. The second, fourth, sixth, eighth, and tenth rows each consist of three bricks side-by-side, with each brick shifted to the left relative to the row above and to the right relative to the row below.
