

PE Funding 2018/19

The government is continuing to provide additional funding to improve provision of physical education and sport in primary schools. This funding is to be spent on improving the quality and breadth of PE and sport provision, including increasing participation in P.E. and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of. We have seen the impact lottery funding has had on our success in world sport at both the Rio Olympics and Paralympics. Each school has the freedom to choose how they spend their funding to develop sporting opportunities and raise standards in Physical education.

Our Aim:

At Hanbury C.E. First School our overall aim is to improve the quality of P.E. provision for **all** children, raising achievement and ensuring a lasting sustainable impact.

From September 2013 the school has used the sports premium to be involved with the local schools in the Bromsgrove Pyramid of schools in having a Physical Education Coordinator for the area. The **All Active Academy** primarily provides expertise and training for all our teachers in all areas of the P.E. curriculum. They promote quality delivery of P.E. teaching and improved outcomes for children. The All Active Academy organises sports events including festivals and competitions. The All Active Academy regularly liaises with the P.E. Coordinator for the school, ensuring Hanbury has the opportunity to be involved in events available within the local Bromsgrove cluster and they look to increase 'after school' opportunities where possible. The All Active Academy works collaboratively with other schools in the pyramid, local clubs and outside agencies to further develop P.E. and sport opportunities for all children.

The P. E. funding we receive will also be used to enable staff to take children to an increased number of interschool competitions and festivals. We will also use the funding to involve all children in physical activities in school time including lunchtime and outside school time .e.g. after school clubs. At Hanbury First School we aim to provide a wide range of after school clubs and extra-curricular activities. We will also be able to spend money on targeted groups of children as necessary.

All our work will be aimed at increasing attainment, participation, improving confidence and skills and encouraging a life-long love of sport together with an understanding of the positive health benefits participation in sports activities offers.

Intended Impact

- Increase the percentage of outstanding PE lessons taught.
- Development of staff P.E. skills.
- Increased opportunities for inter and intra school tournaments.
- Ensure all children enjoy PE lessons and understand the importance of keeping healthy.
- Promote the links between sport and Health and Well-being.
- Increase take-up of sporting activities by a wider range of children promoting a long-term healthy life style.
- Celebrate pupils 'outside of school' sporting achievements.
- Increase outdoor activity especially in the Early Years and KS1 to promote healthy living.

The impact of P.E. funding will be monitored by the governors on a regular basis.

Where has the funding been used in the academic Year 2017/18?

The grant given to Hanbury C. of E. First School for 2017/18 £16,880

Training staff in:

CPD training to move to outstanding P.E. lessons
Including specific training in Tai-Chi, golf and football

Hanbury children have received:

Inclusion event (Multi-skills)	SEN
Multi-skills Festival	Year 2
Dance Festival	Year 1
Tai Chi	Reception Years 1, 2, 3 and 4
Hockey, Football and Netball Tournaments	Years 3 & 4
Tri Golf	Years 1, 2, 3 & 4
Bell-boating Journey	Year 4
Bell-Boating competition	Year 4
Mindfulness and Yoga	Reception
Intra house Athletics tournament	All Year groups
Water Safety and Competition swimming skills	Year 3 & 4

Our children can go to the many clubs we run throughout the year including:
Tag Rugby, Football, Hockey, Dance, outdoor games/skills.

Five tablets were purchased for pupils to record and analyse their performance in PE and make recommendations to improve their skills. They are also used to watch professional sport's personnel to inspire our children.

Impact

All pupils have had a wider opportunity to participate in sport.

All children have had the chance to compete in intra and inter competition.

SEND and Less Able pupils have had opportunities to compete in competitions and tournaments.

Reluctant pupils have been encouraged to play in competitions against other matched pupils.

Where will the money be spent in the academic Year 2018/19?

The grant given to Hanbury C. of E. First School for 2017/18 £16,880

Introduce REAL PE and train teachers to deliver exciting outstanding lessons.
To provide professional development for PE co-ordinator
Work with cluster Schools to deliver quality PE.
Ensure all classes are involved in All Active Academy competitions and festivals
Meeting with other schools for inter school competitions and festivals.
Schedule Intra-House whole school tournament – 1 per term.
Set sporting challenges, e.g. fun run.
To ensure all pupils in KS2 receive high level swimming skills
Continue to increase opportunities for pupils to have professional coaching in a variety of sports e.g. Tri-golf, hockey, skipping, etc.
Arrange professional athletes to visit school and inspire children to take up sport.
Meeting the criteria to achieve the Gold Sport's Mark.
Purchase a set of Fit-bit monitors to help children make the link between exercise and the benefits to health.
