

Expert Helpers

We strive to invite experts into school to support and extend the children's skills.

e.g. Science teachers from high schools
Chocolatier
Glass blowing at the Jinney Ring
The Dentist visits
Life Bus

Forest School

Children use the outdoor environment to develop their skills.

e.g. naming trees and flowers and their parts
using the fire to heat items to observe changes
looking at habitats
Survival hot/cold
mini beast hunts
Topic links e.g. making skeletons out of sticks

Clubs

We provide opportunities to learn through extra curricular activities.

e.g. Science clubs

Science

Trips

Where appropriate we provide opportunities to learn in an out of school context.

e.g. Space Centre
Think Tank
Sea Life Centre

Whole School Learning

The whole school immerses into the subject and creates opportunities for child initiated learning.

e.g. Science weeks
Learning about famous scientists
Half termly investigations
Growing plants
Morse Code
No Electricity day

Enterprise

Children make personalised items to sell and raise money for the local community and the wider world.

e.g. Selling the vegetables grown from seeds by the children

Chocolate Sale

Competitions

We strive to foster home, school and community links through competitions
e.g. engineering/inventions
The Egg Race
Rocket Racers
Saving energy posters
