

Year Two Workshop

Thursday 23rd January 2025

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12
Autumn term	<div>Number</div> <div>Place value</div> <div>VIEW</div>				<div>Number</div> <div>Addition and subtraction</div> <div>VIEW</div>				<div>Geometry</div> <div>Shape</div> <div>VIEW</div>			
Spring term	<div>Measurement</div> <div>Money</div> <div>VIEW</div>		<div>Number</div> <div>Multiplication and division</div> <div>VIEW</div>				<div>Measurement</div> <div>Length and height</div> <div>VIEW</div>		<div>Measurement</div> <div>Mass, capacity and temperature</div> <div>VIEW</div>			
Summer term	<div>Number</div> <div>Fractions</div>		<div>Measurement</div> <div>Time</div>		<div>Statistics</div>		<div>Geometry</div> <div>Position and direction</div>		<div>Consolidation</div>			

- 1) Complete the bar model.

- 2) Find the total.

- 3) How many edges?

- 4) A quarter is 4, what is the whole?

Part Whole Models help children to understand that numbers can be partitioned in different ways

Place Value Charts help children understand the value the digits in a two digit number.

T	O

Base Ten helps children understand how many tens and ones there are in a number. It reinforces that the first digit in a 2 digit number represents the number of tens.

Ten Frames can help children recognise a number quickly because they get familiar with a complete frame being worth ten. Supports place value and recognizing two digit numbers.

Numicon shows children how numbers can be made up. The pieces fit together and they also support with the recognition of odd and even numbers.

Bar models are another way of showing the parts a number is made up from.

These are some of our most used resources in Year Two. They can be to support all areas of number including addition, subtraction, multiplication and division.

Addition

Add
Plus
Total
More
Altogether

$35 + 21 =$

		T	O	
		3	5	
	+	2	1	

Miss Bishop picks 35 apples. Mrs Adams pick 21 more. How many apples have they picked in total.

Subtraction

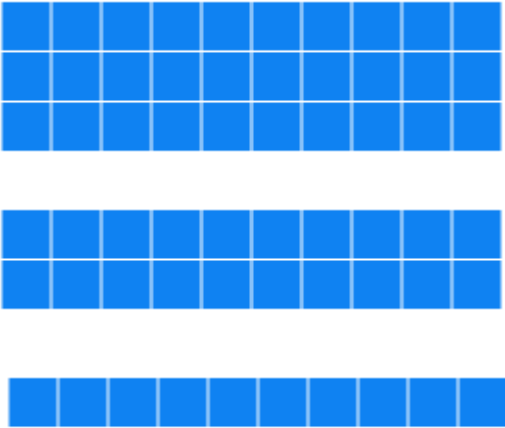

Subtract
Take away
Minus
Less
Fewer
Difference

35 - 21 =

		T	O	
		3	5	
		2	1	

Miss Bishop picks 35 cherries. Mrs Adams eats 21. How many cherries does Miss Bishop have left?

Multiplication

Groups of
Lots of
Times
Multiply
Array

5 groups of 2
5 lots of 2
2 times 5
 2×5

Miss Bishop has 5
cupcakes. Each cake
has 2 cherries on. How
many cherries are
there?

$2 + 2 + 2 + 2 + 2 =$
Repeated addition
 $2 \times 5 =$
Multiplication

Division

Share
Group
Equal
Divide

4 shared equally
between 2 groups

Miss Bishop has 4 cookies
and shares them equally
between 2 children. How
many cookies does each
child have

Miss Bishop has eight cookies and puts them in to equal
groups of 2. How many groups are there?

8 grouped equally into 2's
