

# Homework Matrix

Year 4 Spring Term : The Brilliance of Brunel

Complete **3** activities from the grid and bring them into school by Monday 16th March

Write a brochure to guide tourists through an industrial town like Birmingham or Manchester.	Design a flag for a new industrialised town. Write a paragraph to explain your design choices.	Create a model of factory worker housing. You can use any medium you'd like—lego, cardboard, bread dough... ANYTHING you choose!	Create a documentary on iMovie, AdobeSpark or a similar video app explaining about life during the Industrial Revolution.
Find out about the history of trains and how they developed. Present your research however you like... a PicCollage, a leaflet, a song, a video presentation...	Make a collage of the changes that happened between the 18th century and the 21st century.	Rate 10 inventions of the Industrial Revolution out of ten and rank their importance from most important to least. Don't forget to give your reasons.	Create a song or rap about the Industrial Revolution. Perform it on video and send it to us on Seesaw.
Create a puzzle or a quiz about the working conditions in factories.	Write a timetable or schedule to show the average day of a factory worker- including food.	Write 5 questions you might ask to a factory owner if you were a factory inspector.	Write a diary entry of how you would feel if you worked in a factory/mine during the industrial revolution.
Name 8 inventions created during the industrial revolution. Can you name their inventor too?	Choose a Victorian inventor and research what they invented and how it has improved our lives today.	Use an app like Canva or Typorama to find an image of Victorian child workers and caption what they might be thinking.	Find out about life in Hanbury Village during the Victorian era and create a non chronological report showing what you have learned.
